Biography

Dr. Stacy Feiner is an executive coach for the middle market, and the author of *Talent Mindset: The Business Owner's Guide to Building Bench Strength*. Stacy brings psychological strategies to business owners that help them improve their performance and advance their organizations.

Stacy's methodology addresses complex dynamics within owner-operated companies, family businesses, management teams and boards. She coaches leaders on how to solve people-problems that clear for driving strategy, growing profitability and eventually transitioning to the next generation.

Stacy takes business owners and stakeholder teams through critical phases of leadership and organizational transitions with a framework that makes change possible. She facilitates family retreats, board meetings and advisor meetings to improve the circulation of ideas, the quality of decision-making and accountability. The goal is to help middle market companies move successfully through continuous transitions, and ensure that people across an enterprise create a competitive advantage.

Stacy earned her doctorate in clinical psychology from the Illinois School of Professional Psychology, MS from Northeastern University, and BA from Hobart & William Smith Colleges. She lived and worked in Asia and studied with Léon Danco. Stacy is a licensed psychologist, executive coach, author and national speaker. Stacy and her family are committed to land conservancy and community service.

***"Every elite athlete works with a coach.
Ambitious business leaders should too."***
