

Stacy's approach gives owners all the tool and insights to engage talent and drive results.

JODI BERG, President and CEO, Vitamix Corporation

At first, I anticipated every session with dread. Then one day, I protected the 'hold' for Stacy in my calendar with everything I had. Over five years, Stacy helped my organization develop & execute a strategic plan that resulted in tremendous growth. She then coached me through a leadership transition, and today I am a key opinion leader in my industry. I'm at my best because of those challenging, uncomfortable conversations with Stacy that are necessary to bring out top performance.

Marcie Finney, CEO, Cleveland Cord Blood Center

Stacy is a powerful thought leader. She advised me on the psychological research that validates my product platform and introduced key methodologies that improved customer experience and retention. Stacy made a lasting impact on HealthReel Inc.

Femi Devin Ayanbadejo Sr., CEO HealthReel, Entrepreneur, NFL Athlete, Writer

Strong and clarifying guidance on the interpersonal challenges of family businesses. Stacy brings the theory and science to problem solving, and shines at the practical aspects of getting stuff done to progress the enterprise. A pleasure to have as an advisor to move things forward, and she improved the interactions and governance between our enterprise and the family with the controlling interest.

Jim Haight, CEO, RI Grows, Naval Officer

Stacy is a driver. She drives you to be the best you can be. And there is no wiggle room with her. She challenges me to look at things from different angles, reveals my blind spots and has certainly made me think. For every discovery, there is application. Her confidence in clients and her demand for progress is Stacy's secret sauce. If you want to be challenged, if you want to grow and you want someone that is clearly in your corner, Stacy is the coach for you.

Anne Richards, CEO, Goodwill Industries

Stacy's approach put my company on the path to success in a way I never thought possible.

BRAD SACHS, CEO More Than Gourmet, Investor

Even a simple conversation with Stacy is priceless.  
Nick Elmi, Award-winning Chef, Restaurateur, Author

Stacy reads the situation quickly, hears the subtext, and pieces together seemingly random details that help me see things more clearly. Conversation with Stacy make an immediate difference. She is the exact person I want by my side.  
Lisa Lochner, CEO at Missouri Baptist Sullivan Hospital

Stacy's method is a playbook for getting your arms around the job of leading people.  
John M. Deignan, president and CEO at Baker Hill

Dr. Stacy made a positive difference in my life. She got me thinking about life and moving in a new direction. She wasn't afraid to clash with me, and quickly turned experiences into valuable lessons. Dr. Stacy saw me for who I am, and I am grateful to know her.  
Mike Perry, Professional Athlete, Influencer, Family-man

Stacy has a holistic/all-encompassing coaching approach. She doesn't pull her punches, she knows her stuff and the complexities we face regarding psychology and executive leadership. Stacy helps people achieve better results with more resilience than they otherwise might.  
Rebecca Braun, President Braun Ink, Entrepreneur, Athlete

Stacy coached me to shape the emotional dynamics throughout my company toward share success.  
Tom Lix, Founder and CEO, Cleveland Whiskey

Elite performers must stay connected and be "all-in" and Stacy's approach inspires us to up our game.

KATEY STONE, Head Coach Harvard Women's Ice Hockey, Head Coach 2014 U.S. Olympic Women's Ice Hockey Team

I found Stacy on a nation-wide search. Stacy is so confident in the human spirit she took me farther than I imagined I could go. Stacy knows how to strengthen people-dynamics so business objectives get accomplished. Her advice continues to serve me.

Rachel Wallis, Board Member, Wallis Companies, Advocate

Stacy presented at a Family Business Seminar, and one slide proved conventional approaches only look at one set of problems at a time. As our family business coach, Stacy helped us see the matrix of challenges and where they all intersect — how they cause problems when ignored and propel growth when prioritized. She strengthened our family relationships, our company relationships, and helped everyone get what they wanted and needed...all while we increased our performance numbers. Stacy infused our ecosystem with the emotional health that improved the course of our future.

Brandon Johnson, CEO, Hagen Johnson Group, Inventor, Marathoner

I have been working with Stacy for several years. We were going through a leadership transition within our family-owned company. Stacy guided my brother and I through a period of growth by helping us level-up our leadership capabilities. Stacy's guidance and insistence strengthened our partnership and our conviction to be better every day.

Scott Forna-Fleming, Co-President, AIM Transportation, Military Officer

Simply put...Stacy is a powerful coach. She pushes us to develop personal awareness needed for getting to the next level, and awakens the parts of us that has taken a hiatus. Stacy shines a bright light on what makes us truly special! Focusing on emotional growth, she gives direction, insights and feedback to ensure we can deal with whatever life throws our way. We realize right away that we can tackle anything with Stacy at our side.

Marnie Schneider, Ronald McDonald House Board Member, Author

Stacy prods us to realize we can and must be great.

MICHAEL RIPICH, CEO AT&F, Life Long Learner

Stacy focuses us on how to be successful, while untangling us from all of the misconceptions and failed attempts of the past.

A. Ray Dalton, founder and president, Dalton Foundation

Stacy stands out as a high performance leadership coach who is deeply committed to her clients personal and professional success. I valued her steadfast dedication to guiding me toward new ways of seeing things. Through a balanced approach of strategic acumen and motivational guidance, Stacy provided me with critical support for excelling as a leader, at work and at home.

Lauren Cristella, CEO, Committee of Seventy

Stacy taps into your psychology - the collection of who you are - to help shape who you become and how you lead.

Dan Lewis, CEO, Lobesity

Stacy has a holistic/all-encompassing coaching approach. She doesn't pull her punches, she knows her stuff and the complexities we face regarding psychology and executive leadership. Stacy helps people achieve better results with more resilience than they otherwise might.

Rebecca Braun, President Braun Ink, Entrepreneur, Athlete

Stacy got my mind clear from distracting and tough emotions so I could focus better on winning.

Zion Clark, Olympic Athlete, Motivational Speaker

Stacy illuminates the underlying root cause of both peak performance as well as performance gaps.

Josh Linkner, Two-Time NY Times Bestselling Author, Co-Founder; Chairman, Platypus Labs
